For Bureau Veritas Marine & Offshore,

At BV FREDERICIA, on 22 Dec 2025,

Jesper JENSEN

This certificate was created electronically and is valid without signature

This certificate remains valid until the date stated above, unless cancelled or revoked, provided the conditions indicated in the subsequent page(s) are complied with and the product remains satisfactory in service. This certificate will not be valid if the applicant makes any changes or modifications to the approved product, which have not been notified to, and agreed in writing with Bureau Veritas Marine & Offshore. Should the specified regulations or standards be amended during the validity of this certificate, the product(s) is/are to be re-approved prior to it/they being placed on board vessels to which the amended regulations or standards apply. This certificate is issued within the scope of the General Conditions of Bureau Veritas Marine & Offshore available on the internet site www.veristar.com. Any Person not a party to the contract pursuant to which this document is delivered may not assert a claim against Bureau Veritas Marine & Offshore for any liability arising out of errors or omissions which may be contained in said document, or for errors of judgement, fault or negligence committed by personnel of the Society or of its Agents in establishment or issuance of this document, and in connection with any activities for which it may provide.

BV Mod. Ad.E 530 June 2017

This certificate consists of 3 page(s)

THE SCHEDULE OF APPROVAL

1. PRODUCT DESCRIPTION (software)

Starting from April, 1st 2011, the software "LOGIHOLD Planned Maintenance" is renamed "SERTICA Maintenance".

SERTICA Maintenance is a Windows based program for management of Components, Maintenance, Condition control, Spare parts, Requisition and Documentation.

Language: Microsoft.NET

Database type: Microsoft SQL Server 2005 Express Edition with Advanced Services

Reports generation / Data extraction: Business Intelligence

2. DOCUMENTS AND DRAWINGS

Documents and drawings examined in the scope of the initial approval are under the previous software name.

- LOGIHOLD V5 - General Description + User guide Version 4, dated October 2008.
- LOGIHOLD V5 - Patch Installation Guide, dated 03/12/2008
- SERTICA maintenance module user guide dated 10 oct 2022
- SERTICA release note 5.15.80 dated 28 mar 2025

3. TEST REPORTS

The report of the tests carried out in the scope of this approval is under the previous software name.

- LOGIHOLD V5 Demo version 5.0.8.4, tested as per report VSM/09/00012.
- SERTICA test report witnessed on 08 dec 2025

4. APPLICATION / LIMITATION

4.1 - The approved Computerized Maintenance Management System is acceptable for use onboard BV classed vessels surveyed under Planned Maintenance System (PMS), or granted with STAR-MACH or STAR-MACH SIS additional class notations.

4.2 - This certificate is valid for tested version 5.0.8.4 and later releases of version 5, provided that alterations of functionality remain in line with the Rules in force.

4.3 - Onboard installation and maintenance requirements:

- The system is to be installed and used according to the manufacturer's recommendations.
- The system is to store history of reported jobs, equipment breakdowns and damages for at least 5 years.
- Access rights are to be set in order to avoid unexpected or spiteful editing or deleting of maintenance histories and maintenance logs.
- The data is to be saved at regular intervals, so that it can be readily restored if needed without loss of essential information.

5. PRODUCTION SURVEY REQUIREMENTS

5.1 - The maintenance management software is to be supplied by **RINA Digital Solutions A/S** in compliance with the type described in this certificate.

5.2 - This type of product is within the category HBV of Bureau Veritas Rule Note NR320 and as such does not require a BV product certificate.

5.3 - **RINA Digital Solutions A/S** has to make the necessary arrangements to have its works recognised by Bureau Veritas in compliance with the requirements of NR320 for HBV products.

5.4 - For information, **RINA Digital Solutions A/S** has declared to Bureau Veritas the following web site : <https://www.rinadigitalsolutions.dk>

5.5 - For information, **RINA Digital Solutions A/S** has declared to Bureau Veritas the following production site :

RINA Digital Solutions A/S
Sofiendalsvej 5
P.O. Box 7106
DK-9200 Aalborg SV
DENMARK

6. MARKING OF PRODUCT

Identification is:

- Maker's name or trade mark: **RINA Digital Solutions A/S**,
- Software name and version: SERTICA Maintenance - Version 5.x

Identification is displayed in menu "Help - About ..." of the software, and is to be available in the software manual.

7. OTHERS

7.1 - The approval only concerns the functionality and does not certify that the software is free from anomalies. **RINA Digital**

Solutions A/S, should notify BUREAU VERITAS of any modification or changes to the software in order to maintain the validity of the Type Approval Certificate or to renew it, as relevant.

This approval is given on the understanding that the Society reserves the right to require check tests to be carried out on the installed softwares at any time and that **RINA Digital Solutions A/S**, will accept full responsibility for informing shipbuilders, ship owners or their sub-contractors of the proper methods of use and general maintenance of the software and the conditions of this approval.
